Updated: Post-Season 2018

DISCLAIMER:

The statistics contained in this book are not complete. The only seasons in which detailed statistics are currently available are 1971-1977, 1979, and 2000-2018. This book will need constantly updated as new statistics are uncovered and researched. We owe Larry Warner our gratitude for researching the scores for every game and verifying some new statistics. If you have any end of year statistics or verifiable game statistics, please contact the Carrollton High School Athletic Department at (330) 627-8261.
